

# A SPECIAL INVITATION TO THE MANSFIELD ISD STAFF

FROM: Jeff Yale, President MISD Education Foundation

SUBJECT: Donations to the Mansfield ISD Education Foundation

Please consider an important opportunity for a charitable contribution this year. The Mansfield ISD Education Foundation is an especially appropriate way to give something back to the students and also enhance professional growth opportunities for staff.

The Foundation provides a critical level of financial support for our school district. During the past 15 years, the Foundation Board of Directors awarded over \$2,900,000 in grants to Mansfield ISD and funded over 1000 programs and projects.

The staff annual drive is designed to allow staff an opportunity to make a significant contribution to the Foundation through a onetime donation or a donation through monthly pledges. **Donations for as little as \$3 are welcome.** Monthly payroll deductions are still available with a minimum \$10 donation (Oct. - July). (\$1 per month for ten months)

There will be rewards again this year for the campus that contributes the most dollars and the campuses that contribute 100%. The Board of Directors will host a breakfast for campuses that have 100% staff donating and also for the campus who donates the most money.

**“Strive for Five”. Any employee who donates \$5 per month through payroll deduction will receive a packet of coupons and discounts from local restaurants and businesses. The packet will contain at least \$25 in discounts and free items. More to come!**

**Free Chick-fil-A Sandwich  
Free Slush from Sonic**

**Free Wings from Buffalo Wild Wings  
Free Appetizer from Cotton Patch**

**Free Dickey’s Sandwich**
