

STRIVE FOR 5

Together, We Invest in Innovation.

A simple \$5 monthly gift helps create extraordinary opportunities for Mansfield ISD students.

When MISD employees come together, amazing things happen. **Why We Give**

Every month, employees across Mansfield ISD choose to invest in the success of students - not just in their own classrooms, but across our entire district. Together, we create opportunities that wouldn't exist otherwise.

We know our employees already give so much - your time, your talent, and often your own resources. Strive for 5 is simply another way, if you're able, to join colleagues in creating opportunities that benefit students across Mansfield ISD.

\$5 Million + Invested | Every MISD Campus Impacted | 26 + Years Supporting Innovation

Join Strive for 5 Today

Payroll deduction of just \$5/month helps turn innovative ideas into extraordinary learning experiences.
